

# Beyond Workshops & Webinars: Tools to Move Beyond to Action

## 1. ACTION STATEMENT

I want \_\_\_\_\_ to \_\_\_\_\_.

[Check: Can you describe what that looks or sounds like? If not, keep pushing until you land on something you can see and/or hear.]

## 2. BARRIERS What is holding your people back?

Environment	Tools	Knowledge/skills	Emotions
-------------	-------	------------------	----------

## 3. ACCELERATORS Where can they get support as they apply learning?

Focus	Reflection	Team (accountability)
-------	------------	-----------------------

## 4. TOOLS What tools would support moving your people to action?

DIY Tools	Bridge-to-action Tools	Social tools
-----------	------------------------	--------------

## 5. NEXT STEPS

I will:
